

Chorus: Adjectives modify nouns.
Modify means "to change."
The adjectives that you choose
will help you better to explain.

Verse 1: The shaggy dog, the mangy dog,
the brown dog with a ribbon in its hair..
The huge, spotted dog, the tiny, white dog....
The adjectives will help you to compare.
(chorus)

Verse 2: The fluffy, white cloud..the big, round cloud,
the purple, dark, ominous cloud..
The noun's the same; the adjectives change.
The picture's clear where adjectives are found.
(chorus)

Verse 3: If you want the reader to see
the thoughts you are thinking inside,
use adjectives. Describe your thoughts,
and the reader's mind will open up wide!
(chorus)
