

Chorus: Homophones! Homophones sound the same!
Different spellings in the homophone game.

Verse 1: Can you hear from over hear?
They're there with their dear sweet deer.
Can you see the deep, blue sea?
Will you be my honey bee?

(Chorus)

Verse 2: Can you tow your great big toe?
Can you know the answer "no?"
Dance with a knight all night long.
Read to two too as you sing along.

(Chorus)

Verse 3: Eight ate four for goodness sake!
How many holes could a whole hole make?
Did you write it the right way?
Did you weigh it all the way?

(Chorus)

Verse 4: I'll tell a tale about a tail.
I rode down the road with a pale blue pail.
I might stare at a flight of stairs.
I might pare a pair of pears.

Final Chorus: Homophones! Homophones sound the same.
Different spellings in the homophone game,
Different meanings and spellings too,
Now this homophone rap is through!

That's a wrap!
