

# Interjections!

by Melissa Corbett

Chorus: Interjections can make your stories  
more entertaining to read.  
And whether good or bad things happen,  
interjections are the words you'll need.

Verse 1: "Wow! Awesome! Yes! Hooray!"  
are interjections you might say  
when everything seems to go your way.  
"Wow! Awesome! Yes! Hooray!"  
(chorus)

Verse 2: "Help! Oh, no! You're kidding! I refuse!"  
are interjections you don't like to use,  
when the world keeps bringing you unhappy news.  
"Help! Oh, no! You're kidding! I refuse!"  
(chorus)

Verse 3: "Ouch! Pee-ew! Stop! Hee hee!  
Come here! Shhh! Golly gee!  
Look! No fair! I agree!  
Howdy! Oh, crud! Yipppeee!"  
(chorus)
