

Nouns

by Melissa Corbett

Verse 1: A noun is a person, place, event, or thing,
A ball, fox, beach, library, king or queen,
Everything you touch,
Anyone you meet,
Anywhere you go,
Anything you see,
A noun is a person, place, event, or thing!

Verse 2: If you see, hear, smell, touch, taste it, it's a noun.
All the places you can go, in or out of town.
Animals, people, objects too,
Parties, buildings, parks, or zoos,
If you see, hear, smell, touch, taste it, it's a noun!

Verse 3: Sometimes a noun is something you can feel.
Love, freedom, hope, peace, commitment, anger, fear,
Sometimes it's something you can't see,
like the friendship of you and me.
Sometimes a noun is something you can feel!
