

Verse 1:

The boy was clearly confused when the waiter brought him jumbo shrimp.
And because they were awfully good, he left an awfully nice tip.

Chorus:

This is the song that is filled with oxymoron.
A figure of speech that combines contradictory terms.
Side by side words that are opposite in meaning.
Find the oxymoron in each and every verse.
Oxymoron!

Verse 2:

I'll tell you a serious joke,
so you won't feel alone in a crowd.
Can civil wars have peaceful warriors.
How can a deafening silence be loud.

Chorus

Verse 3:

The unpopular celebrity
was absolutely unsure with clear doubts.
Should she live in virtual reality,
insanely normal yet inside out?

Chorus

Verse 4:

I made an original copy.
I felt it was my only choice.
"I'm almost exactly completely divided.....
a definite maybe," I said with my voice.

Chorus
