

## Revising Using Conjunctions Answer Key

Directions: Rewrite the following paragraph on the lines, using conjunctions to create compound sentences from short, choppy sentences. Be sure to do your best work and write neatly! Be sure to indent, use proper capitalization, and use punctuation.

Healthy Learning Academy is a great school. The principal has high expectations. The teachers care. The students want to learn. The students do their best. HLA is small. It offers many programs. At HLA, students do Morning Mile. Students have yoga class. The school has a garden. The school makes soil from compost. The school recycles. It helps the environment. Students read. Students sing. Students cook. A person can have a super education. They come to HLA.

Healthy Learning Academy is a great school. The principal has high expectations, and the teachers care. The students want to learn, so they do their best. HLA is small, but it offers many programs. At HLA, students do Morning Mile and have yoga class. The school has a garden and makes soil from compost. The school recycles, so it helps the environment. Students read, sing, and cook. A person can have a super education if they come to HLA.
