restart	uncover	untidy	discolor

"Look at how \_\_\_\_\_ this room is!" my dad said. I said that I had cleaned it earlier, but he told me that I needed to \_\_\_\_\_ the whole thing. I didn't want to \_\_\_\_\_ him, so I started to organize some of the \_\_\_\_\_. I noticed right away that a shelf of book was sagging and \_\_\_\_\_, so I decided that I would try to \_\_\_\_\_ the whole bookcase with my hammer and nails. I started to \_\_\_\_\_ all of the books onto the floor, and then I took the bookcase apart. This \_\_\_\_\_ task took longer than cleaning the whole room would have taken!

"Sam!" shouted my father. "I \_\_\_\_\_ that I asked you to clean your room an hour ago!"

Now I remember why I \_\_\_\_\_ cleaning so much!

When inserting words with prefixes, I feel:

\_\_\_\_\_ confident    \_\_\_\_\_ unsure    \_\_\_\_\_ I need more help!

"Look at how untidy this room is!" my dad said. I said that I had cleaned it earlier, but he told me that I needed to redo the whole thing. I didn't want to disrespect him, so I started to organize some of the disorder. I noticed right away that a shelf of book was sagging and uneven, so I decided that I would try to rebuild the whole bookcase with my hammer and nails. I started to unload all of the books onto the floor, and then I took the bookcase apart. This unplanned task took longer than cleaning the whole room would have taken!

"Sam!" shouted my father. "I recall that I asked you to clean your room an hour ago!"

Now I remember why I dislike cleaning so much!
