One Dark Night

One dark night just before midnight, I wandered into the woods. I wanted to see if the animals were sleeping in their habitats.

In the moonlight, I saw a deer drinking water from a stream. Birds were sleeping in their nests. An owl flew from one tree to another, and the sound of his hooting rang in my ears.

At dawn, the sun rose above the trees. I crept back to my house and climbed under the covers of my bed. When I woke up, I wondered if it had all been a dream.
