

Chorus: May I quote you on that?
May I quote you on that?
When writing dialog put quotes both in the front and the back.
May I quote you on that?
May I quote you on that?
Quotation marks are the key to keeping speech intact.
May I quote you on that?

May I quote you on that?

Verse 1: Sometimes when you're writing stories can come alive.
Characters express what they're feeling inside.
Characters need dialog so they can speak.
Quotation marks will be the tool you seek.

(Chorus)

Verse 2: Quotation marks should frame what your characters say,
putting their dialog on display.
Set it off with a comma and a phrase that will tell
who did the speaking that you quoted so well.

(Chorus)
