

Reflexive Pronoun Matching

Reflexive pronouns all have the word "self" in them (or "selves" if the pronoun is plural). Reflexive pronouns wrap themselves around a verb to mirror the pronoun that comes before the verb.

For example: She sees herself.
 pronoun verb reflexive pronoun
 or antecedent

Cut apart the cards below, and place them face down on a table. With a partner, take turns flipping over two cards at a time. If a pronoun/antecedent and matching reflexive pronoun are flipped over, keep the match. (For example, in the sentence above "she" and "herself" would be a match.) Continue until all matches are found.

he	we
she	you
itself	themselves
yourself	I
himself	herself
myself	ourselves
