

Using Contractions

For each sentence below, replace the underlined words with a contraction. Write the new sentence neatly on the line.

I did not like having extra homework.

It was not my fault the paper got ruined.

Let us go to the park and play.

Abbey could not get the door to open.

Noah is going to spend the night with his friend.

Renee asked her dad if he would help her with her homework.

The kid would not listen to his mother.

Inari said she will turn in her project on Friday.

When combining words to make contractions, I feel:

_____ confident

_____ unsure

_____ I need help.
