

Prefix + Root Word = \_\_\_\_\_

For each description below, create a real word by combining a prefix and root word. Use a dictionary if you need help. The first one has been done for you.

description	prefix	+	base	=	final word
having 3 angles	tri	+	angle	=	triangle
to heat before		+	heat	=	
having 100 legs		+	pede	=	
below the water		+	marine	=	
cycle with 2 wheels		+	cycle	=	
shape with 5 sides		+	gon	=	
to write again		+	write	=	
having one horn		+	corn	=	
to "not" appear		+	appear	=	
to view before		+	view	=	
to wear below		+	wear	=	
not happy		+	happy	=	
having eight legs		+	pus	=	
seeing small things		+	scope	=	

When creating words with prefixes and roots, I feel:

\_\_\_\_\_ confident      \_\_\_\_\_ unsure      \_\_\_\_\_ I need help.
