

Chorus: Proper nouns, they're all around!
Throughout the town you'll see proper nouns.
Beginning proper nouns with capital letters,
will make your writing even better.

Verse 1: Names of people, names of states,
Billy, Florida, Pennsylvania, Kate,
Names of cities, names of books,
Atlanta, Chicago, *Learn to Cook*,
Names of games and days of the week,
Thursday, *Candyland*, *Hide and Seek*,
Names of countries where you may go,
France, Spain, Germany, Mexico! (chorus)

Verse 2: Titles of respect like Dr. Martin Luther King
need uppercase letters to do their thing.
Names of streets and businesses too,
like Maple Lane and the Jacksonville Zoo.
Atlantic Ocean and Arabian Sea,
bodies of water you might someday see.
Continents like Africa begin in uppercase.
Australia, Asia, Europe, and all over the place! (chorus)

Verse 3: Names of places like Disney World,
Names of boys and names of girls,
Titles of movies, stories, songs, shows,
Titles of the brand names in your clothes,
Months of the year like April and May,
Holidays like Thanksgiving Day,
Phil's Diner, Taco Heaven, places you eat,
and favorite shows like Sesame Street! (chorus)
